Larry.Gunderson@state.mn.us

All comments should, but are not required to, include a contact name, phone number and/or email address to provide for follow-up discussion on specific comments.

Questions
For any questions regarding the content of the draft Nitrogen Fertilizer Rule, please contact Larry Gunderson, Fertilizer Technical Unit Supervisor
Larry.Gunderson@state.mn.us | 651-201-6168

Comments
- Part 1 needs to be reevaluated for northwest MN.
- We don't have nitrate problems in our area.
- We are good stewards of our land. We know the land we farm and don't fertilize unnecessarily.
- The cost to remove the buffer would very expensive.
- We test our soils every year and only apply what we need.
