Comments

I attended a meeting in Macomb. The Dept of Ag people tried to explain why they wanted to make me change my longtime farming practice. They provided no proof that I was causing a problem. They decided that the Govt knew more and wanted more control of my life.

OVER
It is one more example of a government entity taking my life away. (along with the Buffer Law)

In Marshall County, the Buffer Law takes 5000 acres away from landowners (taxpayers). The fertilizer rule in WV, MD, is wrong and must go forward. There is no proof there is a problem.
