Questions
For any questions regarding the content of the draft Nitrogen Fertilizer Rule, please contact Larry Gunderson, Fertilizer Technical Unit Supervisor Larry.Gunderson@state.mn.us | 651-201-6168

Comments

I would like to see further listening sessions at other locations.
The technology and additives and coatings available for nitrogen stabilization don't seem to meet the Tiers of the aren't.
The variability of the soils in the area affected is also not taken into account.
I feel other practices can be substituted for a whole sale ban on application in the area.

(Continue on back if needed)

In accordance with the Americans with Disabilities Act, this information is available in alternative forms of communication upon request by calling 651-201-6000. TTY users can call the Minnesota Relay Service at 711. The MDA is an equal opportunity employer and provider.
Such a bar would make it impossible to perform the necessary fieldwork in a timely manner.

Thank you.
