Morrison-Crow Wing Counties Corn Growers’ Association (MCCGA) is pleased to award scholarships to graduating seniors choosing to pursue further education in the agriculture industry. The funding for these scholarships is made possible through the combined financial support of Morrison-Crow Wing Corn Grower Association (MCCGA) members and the MN Corn Growers Association, seed companies participating in our test plots, and our summer corn feeds. We thank all of them for supporting agriculture in our communities. We encourage and support your desire to have an active career in agriculture.
