

Greetings!

The Agribusiness Committee of FORWARD Worthington is partnering with Nobles County Corn & Soybean Growers Association, Rock Nobles Cattleman and Nobles County Farm Bureau. All 4 organizations recognize the fact that education and living costs have gone up. Therefore, we have decided to increase our scholarship amount to \$1,500 per scholarship we give away. The objective is to create scholarships for high school graduates entering college in an agricultural related field.

Any high school graduate can apply for the scholarships that fulfill the following:

- 2024 graduating senior;
- Nobles County resident;
- Attending any two- or four-year college for an agriculture or bio-science related field of study.

Enclosed is an application for students to complete if they are interested in applying for one of the scholarships. Please help us get the information out to the qualifying students by distributing the applications. Please feel free to make copies of the application as needed. The deadline to submit the applications is February 1, 2024. All completed applications should be sent or dropped off to FORWARD Worthington, 700 2<sup>nd</sup> Avenue, Worthington, MN 56187.

If you have any questions concerning the scholarship program, please contact the FORWRAD Worthington office at 507-372-2919.
