Renville County Corn & Soybean Growers 2024 Plot Results Meeting

Join us for breakfast as we share our 2024 corn plot results and get agronomy updates from:

- Maciej Kazula, Research Director, Minnesota Corn *"Your corn check-off work in research"*
- Dr. Seth Naeve, University of Minnesota Extension Soybean Specialist *"Are you planting your soybeans too late?"*
- Holly Hatlewick, District Administrator of the Renville County Soil & Water Conservation District *"The Alliance Conservation Program and growers' opportunities when installing drainage water management projects"*

"Brought to you by the Renville County Corn & Soybean Growers and their checkoffs."
