THE BASICS

The Brothers And Sisters In Christ Singers (BASICS) group started around 1998 as a fifth Sunday contemporary worship group at St. Paul's Lutheran Church, Stewart. During worship, guitars were used instead of the organ and contemporary music was sung. The group started with 5 members – 3 of the original members are still in the group. Acoustic guitars, banjo, mandolin, violin, piano, and percussion instruments are used when performing their music, which includes Christian music, gospel, bluegrass, and country.

The group performs around 12 events a year, which includes church services, benefits, private events, concerts, fundraisers, and a Christmas concert.
