Fall Safety Graphics

Verify all lights, flashers, and turn signals are in working order.

Never work alone in a grain bin.

If you feel fatigue, stop and rest.

Avoid overloading semis and other equipment.

Stay hydrated & don't skip meals!

Train anyone who will be operating equipment.

Wear your PPE- including hearing protection, eye protection, and proper clothing & footwear!

Carry a first aid kit with a tourniquet and know how to use it.

Know where your young children are.

Replace faded reflectors and slow-moving vehicle signs.
